Representing Cowboy Rx are Owners Manuel Otero, and David McCallister. Austin Oberpeck is a consultant working with Cowboy Rx, his company will oversee the operation, state regulations, environmental concerns, water, security, and public safety. Mr. Otero stated the we are here to ask for a Conditional Use permit to grow cannabis on Tract 20A, 3.00 acres. Cowboy Rx will employ anywhere from 8 to 20 employees from planting to harvesting. Cowboy Rx will add an additional 3 greenhouses. Cowboy Rx will water with a 2-inch irrigation well that is hook to a drip

system and is metered by the State Engineering Department. Processing the cannabis is limited to dry time of each plant 3 to 4 days, then package for transport. There is no manufacturing done on site and no chemicals used in the drying process. There will be a privacy fence that is 8 foot high with full security system. Odor control will be placed inside the green houses.

Community members were sworn in. Two community members had concerns of cannabis growth in the area in general.

Commissioner Milavec stated that Cowboy Rx has gone through a Registered Architect with the State of New Mexico for Odor Control and Security, they have met all requirements that the Town of Peralta requires.
